## Budva

[WWW.BUDVA.TRAVEL](http://WWW.BUDVA.TRAVEL)

Brojne vile, kuće i apartmani samo su dio nezaobilazne ponude privatnog smještaja Budvanske rivijere. Luksuzne vile sa bazenima na samoj obali ili u zaleđu, apartmani u modernim i rezidencijalnim zgradama i naseljima, sobe u privatnim kućama i stanovi svih kategorija komfora, formiraju ponudu koja značajno nadopunjuje onu u hotelima.

Kvalitetom koji često ne zaostaje za hotelima, uslugom, komforom i cijenom, ovaj vid smještaja je sebe pozicionirao kao veoma primamljiv.

Upravo ova ponuda čini Budvu dostupnom svakom gostu, kako onom sa dubljim džepom koji je došao da se odmori, potroši i uživa, tako i mladom čovjeku kome je ljetovanje u crnogorskoj metropoli turizma sinonim za dobar provod. Raznolikost cijena čini ga dostupnim svim vrstama turističke klijentele.

Ljetovanje u ovom privatnom smještaju pruža svakome neograničenu mogućnost izbora: luksuz u nekoj od vila na Svetom Stefanu, potpuni odmor u paštrovskim selima na stjenovitim brdima iznad mora ili prijatnoj komfornoj sobi u samom srcu budvanskog Starog grada.

Izbor je Vaš.

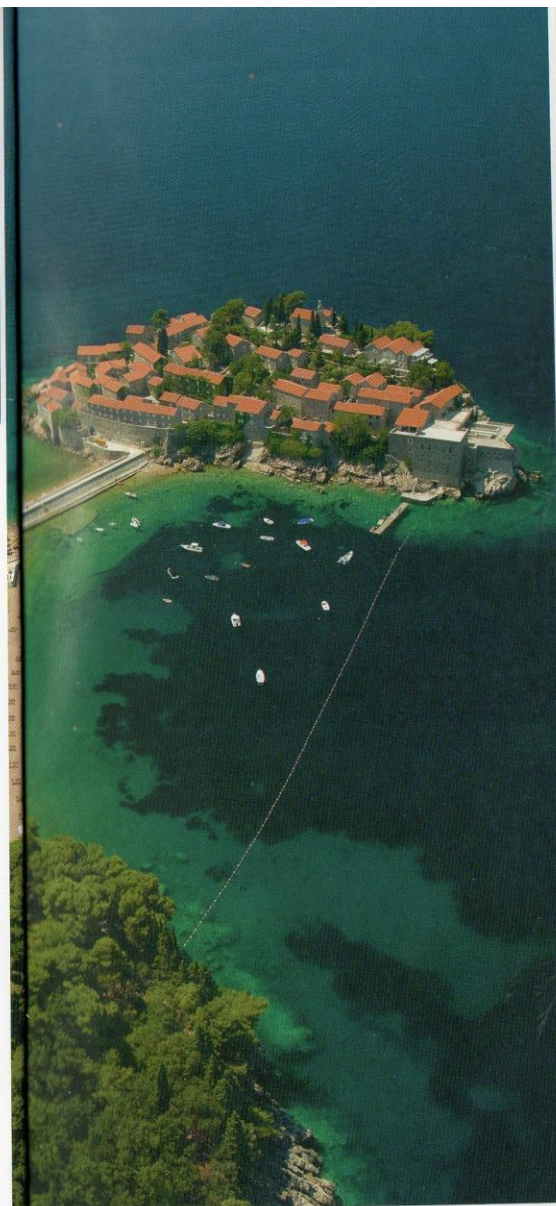

Numerous villas, houses and apartments are just a part of the private accommodation available in the Budva Riviera. The luxury villas with swimming pools, located on the seashore or in the hinterlands, the apartments in modern residential buildings and quarters, the rooms in private houses and the flats of all categories of comfort are all part of the offering, which significantly complements the one of the hotels. The quality that often does not lag behind the hotels, service, comfort and price make this type of accommodation very attractive.

This is precisely what makes Budva affordable to every guest, the ones with deep pockets who come to rest, spend money and enjoy themselves, as well as the young people who see a holiday in Montenegrin tourism metropolis as a synonym for good time. Diversity is what makes it available to all types of tourist clients.

A summer holiday at the private accommodation offers everybody unlimited choices: luxury of a villa in Sveti Stefan, absolute leisure in a local village located on the shady hill slope overlooking the sea, or a pleasant and comfortable room in the heart of the Budva Old Town.

The choice is yours.
